Re: Notification of Proposed Amendment to the Bylaws

In accordance with Article XIV-Amendments of the National Bylaws, this message shall serve as official notification that it has been proposed to remove Section 12, Article VII of the bylaws which currently reads as follows:

Article VII-Duties of Officers

Section 12. Chair of the Public Issues Committee.

The chair of the Public Issues Committee shall:

- *Chair the meetings of the Public Issues Committee*
- *Represent Epsilon Sigma Phi on any special task forces relating to public issues.*
- *Oversee preparation of Program of Work and End of Year Committee Reports of the Global Relations Committee.*
- *Perform other duties as assigned by the President.*

The rationale for the proposed removal of this section is to reflect the sunset of the Public Issues Committee, to better align national committees with organizational operations.

Action on this proposed amendment will be taken up at the meeting of the National Council to be held at the 2023 National Conference in Billings, Montana.

Should you have any questions about this proposed amendment, please contact your regional Vice President or the ESP National Office.
